

DAFNE 5 YEAR STRATEGY 2020-2025

VISION

To improve outcomes for people with type 1 diabetes through high quality structured education which is embedded in the health service

MISSION

We will use the DAFNE programme, our philosophy, HCP training programmes, best practice and audit as a framework in which to develop this patient centred model of care. We will improve and develop the DAFNE programme through R&D and collaboration with other groups, to understand the determinants of success.

KEY OBJECTIVES

EVOLVE THROUGH R&D

Enable more people to self-manage to targets.

TRAINING DIABETES SPECIALIST HCPS

Deliver the most cost-effective training to diabetes specialist HCPS, to understand DAFNE principles to support and treat people with type 1 diabetes

RAISING DAFNE AWARENESS

Increase awareness amongst diabetes HCPS, adults with type 1 diabetes and commissioners to increase the number of services offering DAFNE.

INCREASE ACCESS TO DAFNE

Variety of delivery formats; online/remote/face-2-face

FINANCIAL STABILITY

Delivery of an efficient cost-effective service

SUPPORTING DAFNE CENTRES

Helping embed DAFNE within their services with provision of national audit outcome data

STRATEGIC AIMS

Increase the number of DAFNE services to 100 by the end of 2021-22 and by a further 5% in each subsequent year. Sustainable financial plan including cost improvement and environmental sustainability.
